Adverting to the Proceedings of Government No. 2153-5 / L.B.(P)87 dated 1st Augt. 1902 sanctioning the entertainment of the marginally noted Police establishment for Plague work in the district, I have the honor to state that in view of the fact that the Plague is still prevailing in the town of Chikmagalore and in many other parts of the District, it would be inconvenient if the services of the additional Police are dispensed with after three months the period for which the same has been sanctioned.
